Recycling Facilities:

- F- 557 (UNIT- 1) & F- 693 (UNIT- 3), RIICO Industrial Area, Chopanki, Post: Tapukara, Bhiwadi-301019, District: Tijara- Khairthal, Rajasthan

About SSOL

Shiv Shakti Oil & Lubricants (SSOL) is a pioneer in integrated Hazardous Waste Management with 20+ years of experience. We are authorized by CPCB and SPCBs to handle **100+ Hazardous Waste Categories under Schedule- I across India**. Our state-of-the-art facilities, modern laboratories, and GPS-enabled fleet deliver a single-window, compliance-driven solution to industries.

Trust Badges: CPCB Authorized • MoEFCC Rules Aligned • ISO 9001:2015 • ISO 14001:2015 • ISO 45001:2018

Our Facilities

-  **Preprocessing (AFR)** - Preparing wastes for cement-kiln co-processing.
-  **Common Incineration Facility (TSDFs)** - With heat recovery systems.
-  **Recycling & Reprocessing Units** - Converting wastes into reusable materials.
-  **Registered Hazardous Waste Transportation** - GPS-enabled fleet; pan-India reach.
-  **Modern In-house Laboratory** - Method-compliant testing & disposal pathway analysis.

★ Why Industries Choose SSOL (Top Value Propositions)

1. ✓ **One-Stop Compliance Solution** - Authorized for 100+ Categories under Schedule- I.
2. 📄 **Regulatory Assurance** - We handle Form- 9 TREM Card, Form- 10 Manifest, end-to-end.
3. ⚡ **Quick Response** - 24- 48 hours pickup after intimation, and depend on location.
4. 🚗 **Tech & Automation** - GPS tracking, manifest, client dashboards for reports & analysis.
5. 🛡️ **Safety & Training** - Emergency handling, fire safety, spill response; on-site training available.
6. 💰 **Cost Savings** - Reduce storage, penalty risk, and logistics through our integrated model.
7. 🌱 **Sustainability & CSR** - Annual sustainability/ compliance certificates for CSR/ISO audits.
8. 📍 **Geographical Advantage** - Parbatsar, Chopanki, Bhiwadi hubs cover North & West clusters.
9. 🤝 **Reliability & Trust** - Serving chemical, pharma, automobile, manufacturing sectors.
10. 🚀 **Innovation Roadmap** - Advanced recycling, waste-to-energy, green lubricants.

♻️ Our Sustainable Disposal Pathways (Minimum Landfill, Maximum Value)

Goal: Reduce harmful impacts like landfill through recovery & reuse.

Highlights:

- ⚙️ **Preprocessing (AFR):** Prepares wastes as Alternative Fuel & Raw material (AFR).
- 🔥 **Incineration (TSDFs):** Energy recovery with optimized emissions.
- ♻️ **Recycling & Reuse:** Selected wastes reprocessed into valuable raw materials.

🕒 Regulatory & Compliance Assurance

- **Operates under** Hazardous and Other Wastes (Management & Transboundary Movement) Rules, 2016 (MoEFCC).
- **CPCB HazWAMS protocols for Incineration, Pre- processing, Recycling.**

स्वच्छ भारत- एक कदम स्वच्छता की ओर

Common Hazardous Waste Incineration (TSDFs)/ Recycling- Reprocessor/ Preprocessing- Pretreatment (AFR)
/ Reg. Haz. Waste Transportation

- **Transport & documentation aligned with Rule 18 & Rule 19; proper Form-9, Form-10, Manifest, TREM Card maintained.**
- **90-Day Limit Reminder:** Industries must not store hazardous waste on-site for more than **90 days**— timely disposal via authorized channels is mandatory.

Technology & Automation.

- GPS- enabled fleet & digital tracking of waste movement.
- Manifest System and online dashboards for manifests, compliance reports, and lab analytics.

Safety & Training

- Trained crews for emergency handling, fire safety, and spill response.
- On-site awareness/ training programs; mock drills & tool-box talks.

Sustainability & CSR Commitment

- Aligned with **UN-SDGs**; contributing to the **Swachh Bharat Mission**.
- Annual certificates supporting client **CSR** and **ISO** audits.
- Tangible contributions to the **circular economy**: reuse, recycling, energy recovery.

Contact & Call to Action

Partner with **SSOL** for safe, timely, eco- friendly hazardous waste management—your reliable ally for compliance, cost optimization, and sustainability leadership.

Head Office: F- 20 & 21, 1st Floor, Ashiana Garden Shopping Complex, Bhiwadi- 301019, Distt: Khairthal- Tijara, Rajasthan (INDIA)

Email: ssolindia@gmail.com | ssolhazardoussolutions@gmail.com | info@ssolindia.com

Facilities: Parbatsar • Chopanki • Bhiwadi

We welcome the opportunity to collaborate with your organization for safe, compliant, and eco-friendly disposal of any category or quantity or type of hazardous waste.

Attached (On demands):

Relevant authorizations for hazardous waste management.

A Gentle Reminder as per HWM Rules, 2016:

As per the **Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016**, industries are **not permitted to store hazardous waste for more than 90 days on-site**. We kindly request you to ensure timely disposal to avoid regulatory non-compliance.

Our team will be present at the time of waste collection, following written/email confirmation from your end. Please ensure compliance by using **Form-10 (Manifest)** and **Form-9 (TREM Card)**, duly signed by an authorized representative during waste dispatch.

Closing Note

We sincerely encourage you to entrust **Shiv Shakti Oil & Lubricants** with your hazardous waste disposal needs, confident in our eco-safe, fully compliant facilities. Your support helps us contribute to a **Clean, Green, and Pollution-Free India and States**.

Thank you once again for placing your trust in **SSOL**. We look forward to building a successful and sustainable partnership.
